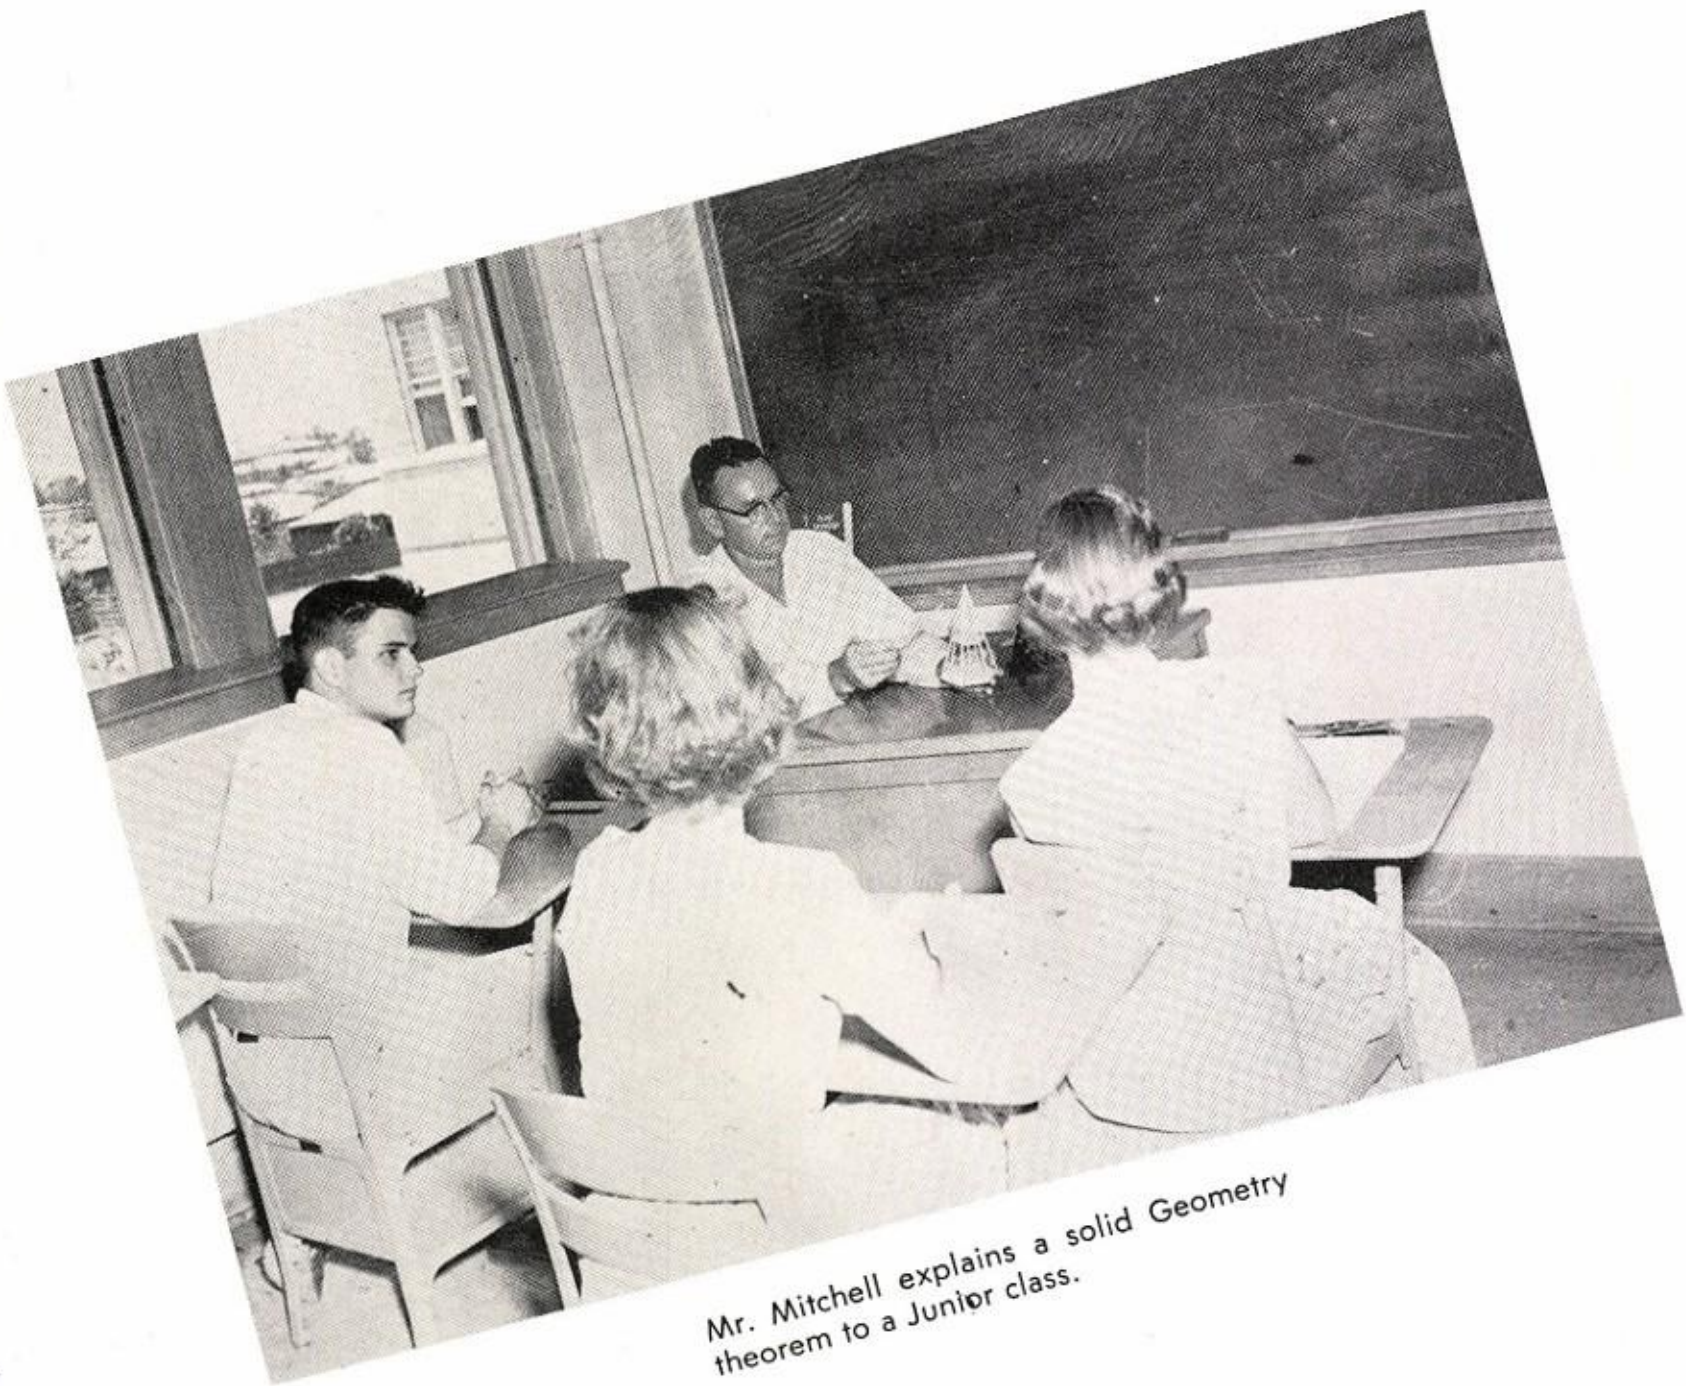
HIG

DEDICATION

The annual staff dedicates the "1957 Panther" to J. C. Mitchell, outstanding in his field of mathematics and outstanding in his devotion to our school and all phases of its activities.

Mr. Mitchell's interests are many and varied. He has served as head coach and is serving now as athletic business manager. His active participation in Hi "Y" activities has made this organization a vital factor in our school life. As a teacher he is respected for his knowledge of mathematics as well as for his calm and patient manner in sharing his knowledge.

A fine teacher, an enthusiastic co-worker, a wise counselor, J. C. Mitchell, B.A., M.A., to you we dedicate this annual.



Mr. Mitchell explains a solid Geometry theorem to a Junior class.

The Panaders have become a HHS tradition with their precision drilling and promotion of the school. The drill team has highlighted half-time activities at every game possible during its five years. This year the organization had the honor of marching in the Teens Against Polio Parade, the State Fair Parade, and the Governor's Inaugural Parade. The girls acted as hostesses for the March opening of the School Administration's new offices. Finances for the Panaders are through the sale of booster ribbons for each of the football games.

ALL 1957

Starters of the 1957 Team with Coach Wayne Pierce are: Ted Hard, Gerald Benson, Jim Johns, Robert Bullock and Gerald Hodges.

Hillcrest has always been noted for superior basketball teams; this year's team was perhaps the finest our school has ever seen.

Reasons for its success were many — a great coach who is a constant inspiration to all students, a great team whose intense spirit never failed, a proud student body.

A custom was inaugurated by which the "Panther" rooters stood during the last four minutes of each game.

It was a wonderful season, one to remember . . .

TRACK

Although each track athlete competes as an individual, Track at Hillcrest is a team sport, and the team's composite achievements represent the school. When a runner runs or a discus thrower throws, he is motivated by his own energy supplemented by the thought of sixteen-hundred fellow students who stand behind him.

1957

Several individual triumphs merit recognition:

Dale Stringfellow threw the shot put fifty-two feet, six inches.

Albert Allison ran his fastest 880 and was anchor man on the mile ralay team.

Gary Fuller, a sophomore, set a new pole vault record at Hillcrest with an eleven foot leap.

Tuck Brown spirited the sprint and mile relay teams.

HALL OF FAME

The PANTHER staff considers one's election to the Hall of Fame one of the most important honors a Hillcrest student can receive. The faculty and staff have based their choice on the following merits: The student's service to the school and community, his dependability, his cooperation, and his initiative. These people are the school's "unsung heroes" and are not selected on the basis of grades alone. Students already honored by their election to the Class Favorite or Senior Personality sections are automatically ineligible for the Hall of Fame.

The Annual Staff,

The 1957 Panther is a creation worthy of our highest commendation. It is a product of your thought, organization and hard work for which you may be justly proud.

You have brought to life that fine spirit of cooperative effort that all of us have fostered. We are confident that you will carry with you this same spirit and will.

Continuously be reminded that only by hard work are things of value accomplished.

Our best wishes go with you.

Sincerely yours,

Fred R. Boswell

TEACHERS' ACTIVITIES

Mr. and Mrs. Louis Moore

Traveling, both in the United States and abroad, was the highlight of the summer for many of Hillcrest's teachers. From the bonny banks of Scotland to the tropical beaches of Hawaii were places of interest in the vacation of each teacher. Mrs. Tezzie Johnson Cox, Mrs. Patricia Meeks, and Mrs. Kathryn Taylor, with groups of Hillcrest students, enjoyed European tours, which included swimming in the Riviera, riding gondolas through Venice, and sight-seeing in the Old World. Miss Pansy Cowan spent much of her summertime vacation outwitting the mosquitoes as she followed the tourist's path through Florida and to Havana, Cuba. Miss Dayle Driver visited the shrines and landmarks of the Northeastern states. Miss Bessie M. Hamilton, diverting from an intended vacation in the New England country, traveled, instead, through Michigan and the other Great Lakes states into Canada where the Shakespearean Summer Festival at Stratford, Ontario was held.

Mr. Alvin Withrow, Mr. Garland Collett, and Mr. Stoney Cayce took a group of boys on a camping trip through Colorado, Montana, and Wyoming. Traversing the great Southwest for twenty-six days, they visited such places as Carlsbad Caverns, the Grand Canyon, and Yellowstone. Mr. Louis Moore was the conference registrar at the Y.M.C.A. camp in Estes Park, Colorado. The culmination of the summer's pleasures was his marriage, before returning to his classes and Phylum Protozoa. Also enjoying the Colorado scenery was Miss Marie Faust, who partook of her favorite pastimes, mountain climbing, fishing, and working on her cabin in the mountains.

Combining business with pleasure, Mrs. Mildred Foster and Miss Persis Shearer traveled to Taxco, Mexico, the arts and crafts center of Mexico. To the benefit of her students, Mrs. Foster took courses in Spanish. While in San Antonio, Mr. W. E. Gursch continued his studies in social work. Mr. Robert Quast attended N. T. S. C. and continued work on the thesis toward his M.S. Degree. Mr. Paul Ledbetter worked on the archives index for the Dallas Historical Society at the Hall of State. Mr. George Neal and Mr. George Pearce were among five Dallas high school Science teachers selected to conduct research work in the Magnolia Laboratories. Mrs. Lois Norred, in concluding her vacation in Illinois and Wisconsin, attended a class reunion in her North Michigan hometown. She also traveled into southern Canada and attended the Shakespearean Summer Festival at Stratford, Ontario. Miss Gladys Bellows spent the summer in Hawaii, where she learned the arts of Japanese flower arrangement.

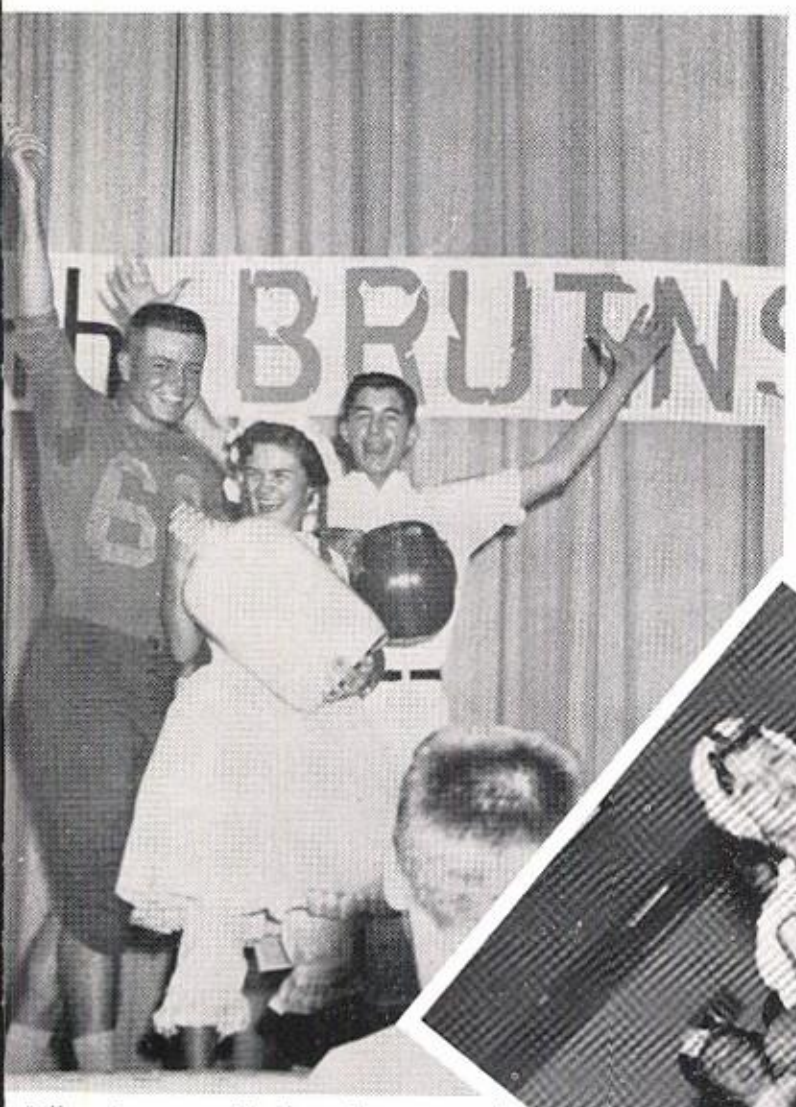
FAIR DAYS



Billy Rogers, Martha Fuqua, and John Rothpletz release contents of the "Spirit of HHS" bottle at the SOC pep assembly.

Neil Robinson, Dan Brainard, and Jayne Smith get a lofty view of the Hall of State assembly on High School Fair Day.

Beverly Quintanilla portrays Bo Miller in a skit presented by the Panaders at the Woodrow assembly.

Misses Toliver and Hamilton react differently to an announcement of the A&M vs. Baylor score during the Woodrow game. Guess who's for who.

Our majorettes and band lend spirit to Hillcrest at the Crozier Tech game with a lively tune.

Jill Worley enjoys Midway treats after the Adamson game.
